

Looking forward

Process, tasks ahead, deadlines and publications

Issues to discuss & decide upon

- **How to organize a research team at country level**
- **Ethical approvals**
- **Interviewing alone or in pairs**
- **Complementary profiles**
- **What resources would you need in order to join the study?**
- **Our support**

Task ahead

1. Ethical approvals

2. Forming the team

3. Contact to potential interviewees

4. Agreements on interview dates

5. The interviews

6. Debriefing and reflecting

7. Transcribing (recorded interviews plus personal notes)

Issues to discuss & decide upon

How can we help?

- **Research support**
 - **On-line support**
 - **Skype support**
 - **Analysis**

Publications

- **Reports (in Russian and English)**
- **Scientific publications (in Russian and English)**
- **Rapid communications (in Russian and English)**
